Tiered Sponsors

Tiered Sponsors will select the Sponsorship level (Wiregrass, Switchgrass, or Little Bluestem) during on-line registration. You will get 1 or 2 full registration(s) for a Tiered Sponsorship. If you select a Tiered Sponsorship, there is no need to register for the event unless you have additional employees that need to register.

Tiered Sponsors must make known at registration if they need an exhibit table.

General Sponsors

There is also an option at registration to sponsor other activities (first day breakfast or buses) or donate in any amount (General Sponsorship). These sponsors will be provided a Tiered Sponsorship based on the amount of the donation (i.e., a \$400 donation, Little Bluestem; \$800 donation, Wiregrass).

* Attendees can opt-out of providing contact information to sponsors.
